7. The Finance Dept can not agree to the advance in excess of the amount which represents the sanctioned grant duly provided for in the Budget. It is really not an advance; it is final expenditure and a definite source within the sanctioned Budget should be pointed out for meeting it, if the proposal to incur expenditure in excess of the present sanction is to be approved. If money can not be found by a definite reapp. expenditure should be limited to the sanctioned amt. The control over budget grants has to be rigidly exercised and the procedure of exceeding them, by permitting advances, as in this case or by deferring the question of funds by promises of later reappropriation, should be effectively prevented as grants will hereafter be voted by the Legislative Council and all questions of excess grants and supplementary estimates should go before the same authority.

be noted for consideration that it may not
be desirable or possible to restrict expenditure

21. It is informally ascertained from the
Comptroller's office that out of the savings in
the credit of chattrains abolished and con-

of Rs 2000 may be appropriated for the
Santaspane in question. The expenditure

Sir,

I have the honor to forward herewith copy of letter No. T.C. 89/22-23 dated 7th October 1922, received from the Deputy Commissioner, Hassan District, soliciting sanction to an advance of --- Rs.4,200/- in connection with the ensuing Barahazar Santarpane and to proceed to Subrahmanya in the Uppinangadi Taluk with the ---- Amildar of the Manjarabad Taluk and the marginally noted establish-

Sampushta Narasimhaswami Matha.

2. The budgetted grants for feeding at the three different centres aggregate Rs.2450-0-0 and the Deputy Commissioner wants a Subrahmanya 2000-0-0 sum of Rs.1750-0-0 in excess of the fixed Bisle 350 0 0 allotments as advance, apparently basing Sakhalaspur 100 0 0 his estimate on the expenditure incurred on similar occasions in previous years and also an account of the continued rise in the price of provisions etc.

All the savings available at the credit of the Barahazar Santarpane and Sri Rama Devaru chattram in Bisle ghat having been utilized to meet the excess expenditure in previous years and for the repairs of the chattram building, there is absolutely no ----

no amount at the credit of these institutions. In the circumstances it has to be decided whether the feeding during the santarpane should be limited to the sanctioned allotment of Rs.2000/- or if it should be conducted as hitherto without placing any restrictions on the number to be fed. I think that it will be against the traditions of the -- Mysore Charities to place any restrictions on the number to be fed on the occasions with a view to keep the expenditure up to the sanctioned allotment. I would therefore suggest that the feeding may be allowed to be conducted as usual, ^{in at any rate running for current year, pending an examination of the question} the extra amount required for the purpose -- being met from some other source. As regards the exact source from -- which it will have to be met, I am not in a position to express any opinion now as I have assumed charge of the office only recently. I am studying the question of financing this and similar institutions such as Tirupati etc., for which also the present sanctioned allotments are found inadequate and I shall submit my proposals in the matter -- at an early date.

3. Sanction may also be accorded to the Deputy Commissioner to --- proceed to Subrahmanya with the Amildar and the staff mentioned by him.

4. Early orders are requested as the festival is reported to begin on 16th November 1922.

I have the honor to state that the Amildar of the Manjarabad Taluk in his report No.18 states that the Champashashti festival -- at Subrahmanya in the South Canara District commences from the 16th November 1922 and lasts for about 18 days till the 4th December 1922 and has applied for an advance of Rs.4200/- to incur expenditure in connection with the Barahazar Santharpanay that has to be performed as usual each year on the occasion. As it is reported that the contract for the supply of provisions has to be sold by the middle of this month, to allow sufficient time to the contractor to enable him to collect and stock the necessary provisions at Subrahmanya before the 15th November 1922, I have requested the Sub Division -- Officer of Saklesput to call for tenders immediately and I request that early sanction may be accorded for the amount of advance applied for which will be adjusted in due course.

In this connection, I further request that kind permission -- may be accorded, as in previous years, for the Amildar of the ---- Manjarabad Taluk and myself to proceed with the necessary clerical and menial establishment to Subrahmanya to be present on the ---- occasion."

Dated Bangalore, 1st Nov 22

The Muzrai Commissioner states that all the Savings available at the credit of the Barahazar Santarpane and Sri Rama Devaru Chattram at Bisle having been utilized to meet the excess expenditure in previous years and for the repairs of the chattram building, there is absolutely no amount at the credit of the institutions to meet the excess expenditure,

expenditure; that the santarpane has to be allowed to be conducted on the usual scale; that he is studying the question of financing this and similar institutions such as Tirupati etc., for which also the present sanctioned allotments are found inadequate, and that he ^{will} ~~would~~ submit his proposals in the matter at an early date.

Government observe that if the proposal to incur expenditure in excess of the present allotment is to be sanctioned, a definite source within the sanctioned Budget should be pointed out for meeting it and if money cannot be found by a definite reappropriation, expenditure should be limited to the sanctioned amount. Government, therefore, direct that an advance of only Rs.2,450/- for the ensuing Barahazar Santarpane (inclusive of the feeding at the chattrams at Bisle and Saklespur) be sanctioned subject to adjustment on the submission, after the santarpane, of bills for the actual expenditure.

The Deputy Commissioner and the Amildar of the Manjarabad Taluk are permitted to proceed to Subramanya, with the clerical and menial establishments referred to in the letter read above.

Sir,

In connection with the Bara Hazar Santarpane that is being conducted by the Mysore Government at Subramhanya in the Uppinangadi Taluk, South Canara District, during the Champa Shashti Festival, I have the honor to forward herewith in original the report of the Mysore Parpathegar at Subramhanya received to day through the Sub Division Officer Saklespur stating that the Manager of the temple is likely to interfere with the arrangements that may be made for the conduct of the Santarpane and cause a breach of the peace on the occasion.

2. The Mysore Parpathegar and the Manager of the Temple are, it is reported, not on good terms and on account of certain action recently taken against the manager, it is not unlikely that he may interfere with the santarpane arrangements with a view to bring discredit to the officers of the Mysore Government. All the temple servants are the subordinates of the manager who is the chief controlling authority in the institution and the officers of the Mysore Government have no control over him.

3. In the circumstances, it seems desirable to keep the Collector of the South Kanara District informed of the apprehension of the parapathegar and also to secure the help of the local officers there, for affording us the necessary facilities for performing the santarpane and I would request

- 2 -

request you therefore to take such action as may be necessary for the purpose.

4. I have also instructed the Amildar of Manjarabad to see as far as possible that nothing untoward takes place on the occasion and that the santarpane is satisfactorily conducted.

Deputy Commissioner,

Sir,

With reference to your letter No. 17- dated the 1st instant for sending a copy of Government order No. 17- dated the 1st instant relating to an advance of Rs. 100/- for the ensuing agricultural year and also to the extent of expenditure may be met from the same as possible within the sanctioned allotment, I have the honor to state that the order to supply of revisions for the same year is held to be valid and the lowest amount offered is Rs. 100/- in addition to the amount of a sum of Rs. 100/- is required for other expenses to be incurred in connection with the same. It is very much to be desired that the expenditure be kept down as far as possible and to see that no waste of revisions is committed. It does not seem that it would be to correct the same on the total scale with the allotment of Rs. 100/- now sanctioned. It is really necessary for me now to reiterate the order and to do by my predecessor and Mr. . . . Nylar Rao, the then Deputy Commissioner who after personal inspection has expressed the opinion that an allotment of Rs. 100/- should be sanctioned for the same year and same.

From the Government order referred to above, I understand that, in case a definite surplus within the sanctioned allotment is pointed out, the excess expenditure incurred over and above the sanctioned allotment of Rs. 100/- would be sanctioned. So the

the first para of the Government Order, I observe
also made a recommendation to Government to allow the
to be conducted on the usual scale and stated that you are
studying the question of financing the expenditure.

3. Under the above circumstances, I request that definite
instructions as to whether the expenditure for the Barabazar
ant space should in no case exceed the sanctioned allotment of
- say kindly be issued in the matter.

4. As the provisions must have to leave Saklespur on the
12th instant, an early reply in the matter is requested.

I have the honor to be,

Sir,

In continuation of my letter No. 37-nd dated 6th November 1922 soliciting definite instructions as to whether the expenditure of the ensuing Barahazar Santarpane should in no case exceed the sanctioned budget allotment of Rs 2400/-, I have the honor to forward herewith a copy of the Manjarabad Taluk Amildar report dated the 5th instant received just now from which it will be seen that an amount of Rs 2400/- is absolutely necessary this year also for conducting the santarpane on the usual scale i.e. for 20 days as per time honoured custom. The Amildar reports that the cost of feeding for 5 days commencing from Argasira Shukla Chaturthi and ending with Astami day, alone, comes up to Rs 2400/- excluding the cost of feeding in the Bisle and Saklespur chaturams, that as the arrangements are already advanced, no departure from the existing amount would be possible as the act and temple authorities on whom the entire cost of feeding on other days will fall, will have reason^{to} complain that they could not anticipate all this and that any new scheme might be brought into effect from the next year giving sufficient notice to all people concerned.

2. As no definite orders of Government, on the recommendations made by my predecessor and Mr. T. T. Meyyaram Iyer about the allotment for the expenditure for the Barahazar Santarpane were received, necessary arrangements were made as usual for getting the

the supply of provisions to conduct the santarpane on the usual scale. Only a sum of Rs 2450/- is now sanctioned and from the enclosed statement, it may be seen that the sanctioned amount is insufficient even to conduct the santarpane on five days. As a departure from the existing mamool at this late hour is likely to create an embarrassing situation in regard to our santarpane, I think that any new scheme contemplated might be brought into effect from the next year.

3. Under the above circumstances, I request that you will be so good as to obtain the sanction of Government for conducting the santarpane on the usual scale this year also and for incurring an expenditure of Rs 4200/- in this behalf.

4. I solicit immediate orders in the matter.

To

The Deputy Commissioner, Hassan District.

Through

The Sub Division Officer, Saklespur.

Sir,

In acknowledging the receipt of Government Orders sanctioning an advance of Rs. 2450/- for the ensuing Barahazar Santarpane at Subramanya and directing that the expenditure should be limited to this sum, I beg to state as follows.-

In the Government Order, it is stated that if the excess over the sum now sanctioned cannot be found by re-appropriation, the excess expenditure cannot be sanctioned. But in the Deputy Commissioner's orders conveying the said Government Order, it is imperative that the sanctioned amount should not be exceeded.

The estimates for this year ^{have} drawn up in accordance with the scales of previous years and tenders for the supply of the usual quantities were called for, in accordance with the Deputy Commissioner's Order dated 7th October 1922, and the sale confirmed by the Deputy Commissioner. The merchant has already collected the provisions to the value of about Rs. 3000/- and has now been cleaning them and the things will have to leave Saklespur on the 10th instant at the latest. The order restricting the expenditure now comes as a great handicap. The effect of ^{back} breaking out of the contract with the merchant at this stage will have to be considered

Secondly it is not indicated in what way the expenditure could be curtailed. For years past, the Government have been committed to an unrestricted santarpane of 20 days. I beg to invite kind attention to the Deputy Commissioner (Mr. B. Venkoba Rao's) letter No. C.2109 dated 13-11-1921 to the Secretary to Government in which he has at great length argued what it would mean to restrict expenditure at a state like this. In his letter No. R.O.C.484 of 19-20 dated 1-5-1921 he had expressed that at least Rs. 4500/- would be required for the whole samaradhane (at Subramanya and Bisle, etc.,) Last year we were able to manage with Rs. 4188/-

~~Thinking~~

This year we asked for the usual Rs. 5200/- but judging from the savings of Rs. 150/- we have effected in the purchase of the provisions we are not likely to go beyond Rs. 4000/-

In his note dated the 5th April 1921, the Muzrai Superintendent, Mr. T.E. Jayarama Iyer who visited Subramanya last year has considered various measures to restrict the expenditure but given up every one of them as not possible. At the same time, he has expressed that last year's santarpāne was done on the most economical lines and it cost us Rs. 4188/-.

I feel greatly at a loss to decide how to manage with such a sum as Rs. 2450/- for the 3 places. Roughly Rs. 450/- would go to Bisle and Saklespur and only Rs. 2000/- would be available for Subramanya.

The only way of reducing the expenditure is to restrict the number of days fed. The santarpāne begins from ಪರವನಿಗುಳು and lasts till ಪುನರ್ವಸು ಪುನರ್ವಸು i.e. 30 days in all. The santarpāne is heaviest on ಪುನರ್ವಸು and on a day on either side. I have made calculations and found the cost of provisions required for these 5 days according to this year's rates amounts to roughly Rs. 1700/- and to this should be added Rs. 400/- for other expenses like payment for service, vegetables, etc., and Rs. 300/- for sandal wood and other expenses. Thus the cost for these 5 days alone would come to Rs. 2400/- for Subramanya alone. Or if the feeding is restricted to ಪುನರ್ವಸು, ಪರವನಿಗುಳು & ಪುನರ್ವಸು, ಪರವನಿಗುಳು, ಪುನರ್ವಸು, ಪರವನಿಗುಳು when people congregate for the the expense would be almost the same. In any case, a departure will have to be made from a long standing practice and apart from the delicacy of this measure, the Matt and Temple authorities on whom the entire cost of feeding on other days will fall will have reason to complain that they could not anticipate all this and are sure to create an embarrassing situation in regard to our Santarpāne. The troubles there are already too numerous to mention and the reduction of the Samaradhane might create almost a deadlock.

Another alternative would be to distribute between the Matt and the Temple the provisions for Rs. 2000.- and leave them to manage as best as they could. But both these institutions are

not likely to agree to such an arrangement and might create an imposso not much dignified to the State.

I beg to submit that at this late hour no departure from the existing mamool would be possible as we are already committed ourselves to the usual scale. Any new scheme might be brought into effect from the next year giving sufficient notice to all people concerned.- the temple and Matt on the one side and to the public in general on the other so that both would know exactly what they themselves have to do. The long expected orders of Government as a result of Mr. Jayarama Iyer's note have not come and I would humbly suggest that you will kindly move the Muzrai Commissioner and the Government to allow the usual -- expenditure for this year.

In the alternative, I beg that clear instructions may kindly be issued as to the manner in which reductions ought to be effected.

If you think that my presence at Hassan to explain the difficulties personally would help you, I shall run up to Hassan as soon as I hear from you.

I have etc.,
Sd/- R. Thammaji Rao,
Amildar. Manjara bad.

Submitted to the Deputy Commissioner, Hassan District.

The santarpans on the usual scale has to begin in a few days i.e. from the 16th instant. Neither the public nor the temple and Matt authorities have been apprised of any change in the scale of the santarpans till now. We are bound by accepting the contract of the purchaser at the public auction sale to pay for the quantity of provisions agreed to be purchased and the contractor has already collected provisions to the value of Rs. 3000/- on our assurance. Under these circumstances I think it is too late to think of curtailing the usual scale this year and I request that the Deputy Commissioner may be so good as to bring the present condition of affairs to the kind notice of Government and the Muzrai Commissioner and to obtain sanction for the usual amount of Rs. 4200/- for this year at least. From next year, the expenses may be curtailed by giving timely intimation to the temple and Matt Authorities. The Amildar may be authorised to draw an advance of Rs. 4000/- and pay the contractor who has collected the articles and is pressing for payment to be adjusted by bills which will be submitted

in due course. Going back at this stage by curtailing to nearly half of the usual scale would lead to a deadlock at temple and Matt and result in great trouble and inconvenience to the pilgrims resorting to the place trusting to the continuance of the Mysore Government Charities and may also lead to legal complications with the contractor.

As there is no time to lose, telegraphic orders may if possible be obtained to conduct the Santarpane on the usual -- scale restricting expenditure to Rs. 4000/- as suggested by the Amildar.

Sir,

With reference to Government Proceedings No. 1658-60/M.F. 213-12-2 dated 1st November 1922, sanctioning an advance of Rs. 2450/- for the ensuing Tarahazar Santarpane at Subrahmanya (inclusive of the feeding expenses at Fisle and Sakalespur), I have the honor to forward herewith copies of letters Nos. O.C. 415-22 dated 6th November 1922 together with their enclosures received from the Deputy Commissioner of the Hassan District stating that arrangements have far advanced, that it is too late to make any departure from the long established mazool and that any changes in the existing state of things might be brought into effect from the next year and requesting that for conducting the santarpane at the three centres on the usual scale this year also the advance of Rs. 4,200/- already applied for may be sanctioned.

2. In submitting the above communications for the orders of Government, I beg to add that if the expenditure is to be restricted to the amount of advance already sanctioned by Government, either the number of people to be fed on the occasion or the number of days during which feeding is conducted has to be reduced and I very much doubt if it would be possible or desirable to adopt either of the above courses at this stage.

3. As the provisions have to be conveyed to Subrahmanya on or before the 12th instant, I solicit immediate instructions in the

the matter so as to enable me to send telegraphic intimation to the Deputy Commissioner.

4. The Deputy Commissioner has also asked the sanction of Government for the deputation ~~of~~ two non-official gentlemen, viz., Messrs. . Venkataramalinga and H. Thimappaya to Subrahmanya as in previous years to help the Taluk authorities in arranging the various arrangements of the Parahazar Santarpane, etc., the cart-hire payable to them being charged to the expenses of the santarpane. I do not quite see the necessity for ~~the Deputy Commissioner having~~ non-officials ^{being taken} at Government expenses for supervising the santarpane arrangements. I submit the matter, however, for the orders of Government.

ST 7 - NOV 1922

From
Mr. Malaly Venkatramaya
Saklespur

Sir,

I beg to state that I come to understand that a sum of Rs 2450/- is sanctioned recently for the expenditure to be incurred at Sri Subramanya.

In Public Auction, one of the local merchants bid for Rs 3200/- and the auction was sanctioned. The merchant has collected all the food-stuffs and got them cleaned ready for delivery.

I may be permitted to bring to your kind notice that the Maranahally Chatram has been wound up since three years and the funds thereof are available for the use of this purpose.

It is stated that the funds of Bisle Chatram have run out but here I venture to state that when there were large surpluses in this fund, many grants have been made
But

Out of this to other Tuzerai Institutions of the State. Now that pecuniary difficulty arises here, Surpluses of funds of those institutions for which Grants were given may be made use of at present.

Above all, at this last moment to adjust the expenditure in the narrow limit of Rs 2450/- is a difficult task. Pilgrims in the wild jungles of Oziak have to fast. At Subramanya, neither the temple nor the mutt authorities are informed of the cutting down of the period. People from all parts of Southern India flock to the holy place entirely dependant upon the gracious benevolence of H. H. the Maharaja of Mysore. The period of "Santarpna" may be cut short, quality of rice used may be changed and the expenditure curtailed, not est. H. H. trying to prevent loss when a famine will be on the horizon.

Under the tree "The Star"
 & they have been at "The Star" -
 under the tree and "The Star"
 & must be a good deal of it.
